

Troopers Investigating Fatal Crash – Newark

Newark (19701) – The Delaware State Police Collision Reconstruction Unit is continuing to investigate a motor vehicle crash which has claimed the life of Angela J. Moore, 85, of Bear.

The incident occurred at approximately 11:31 a.m., Tuesday, January 16, 2018, on U.S. Rt. 40 (Pulaski Hwy.) westbound, at Glasgow Drive, Newark.

A 2016 Ford Mustang, being driven by a 22 year old New Castle man, was traveling U.S. 40 westbound in the left lane, proceeding through the intersection with Glasgow Drive. Moore, who was driving a 2003 Nissan Sentra, turned right, off of Glasgow Drive, onto U.S. 40 westbound, proceeding into the left lane and directly into the path of the Ford. In turn the Ford rear-ended the Nissan, forcing it into the grass, center median where it came to a stop. The Ford came to a stop in the U.S. 40 westbound lanes, just west of the point of the collision.

Moore, who was properly restrained, was transported to the Christiana Hospital where she was admitted with serious

injuries. She ultimately succumbed to her injuries and was pronounced dead at the hospital on Tuesday, January 23, 2018. Impairment is not being considered as a factor on her behalf. Moore was issued a citation on the date of the collision for Failing To Yield Right of Way.

The operator of the Ford who was also properly restrained, was transported to the Christiana Hospital with non-life threatening injuries. Impairment is not being considered as a factor on his behalf.

The investigation is ongoing, and anyone with information regarding this incident is asked to contact Cpl. J. Breen of the Troop 2 Collision Reconstruction Unit at 302-365-8486
