

Troopers Investigating Serious Crash- Georgetown

Georgetown- The Delaware State Police are investigating a serious crash involving a single vehicle that occurred last evening.

The incident occurred on December 5, 2019 at approximately 10:52 p.m., when a 2007 Chevrolet Cobalt was traveling eastbound on Asbury Road (CR 446), east of Davis Road (CR 523), approaching a moderate left curve. For unknown reasons, the operator failed to negotiate the curve, and the vehicle exited the roadway. After exiting the roadway, the Cobalt overturned several times before coming to a final rest in an open field.

The operator, and sole occupant, a 28-year-old male from Laurel, DE, was not properly restrained and was ejected from the vehicle. He was transported to the Nanticoke Memorial Hospital and later transferred to the Christiana Hospital in critical condition.

The eastbound lane of Asbury Road was closed for approximately 2.5 hours while the crash was investigated and cleared.

The crash continues to remain under investigation by the Delaware State Police Collision Reconstruction Unit.

If you or someone you know is a victim or witness of crime or have lost a loved one to a sudden death and are in need of assistance, the Delaware State Police Victim Services Unit/Delaware Victim Center is available to offer you support and resources 24 hours a day through a toll free hotline 1800 VICTIM-1. (1800 842-8461). You may also email the unit Director at debra.reed@delaware.gov
