Wilmington, Delaware – The Delaware State Police apprehended a subject with an airsoft gun after shots were fired late last night on Philadelphia Pike.

The preliminary investigation has determined on Saturday, February 15, 2020, at approximately 11:53 p.m. troopers were dispatched to the area of the Bar XIII, located at 1706

Philadelphia Pike, Wilmington for a disorderly subject armed with a firearm. It was reported the suspect approached a victim displaying the weapon and taunting him. Upon arrival, troopers observed the suspect carrying a black handgun while walking along Philadelphia Pike. As both Troopers exited their patrol vehicles and identified themselves, the suspect turned and fired a round at them; able to recognize that the firearm was an Airsoft gun, the troopers took action and quickly communicated that information to responding Troopers.

A second round was fired in the responding trooper's direction. Attempts to deploy tasers on the suspect were ineffective leading to a struggle with Troopers and the suspect. The suspect broke free and fled on foot. After a foot chase, contact was made with the suspect and another struggle occurred during which a K-9 was deployed. The suspect turned and fired one round at the K-9, striking him.

One Trooper sustained a minor laceration to the back of his head and the other trooper sustained a contusion to his forehead. In addition, the suspect attempted to remove both of the trooper's firearms from their Divisionally issued holsters. Extra officers arrived on the scene and the suspect was taken into custody. Troopers were treated at the scene for the laceration and contusion. The suspect was transported to the Wilmington ER where he was later committed to C.A.P.E.S.
