The Delaware State Police would like to warn the public about a recent increase in thefts of vehicles in the New Castle County area. The Delaware State Police, Troop 2 Criminal Investigative Unit, has recently seen an increase of vehicle thefts occurring in the Delaware State Police jurisdiction. A majority of the thefts have been occurring at gas stations in which a vehicle was left unattended, idling, or unlocked with the keys left in the vehicle. In many cases, the most common practice is a victim leaving their car running in a parking lot while they go into a store for a quick purchase.

Some car thieves look for cars idling in parking lots. Once they see a car is left unattended, all they have to do is walk up and drive away. The thefts of vehicles can be prevented. Please make sure when you exit your vehicle, your doors are locked, you remove your keys, and you park in a conspicuous location.
