Delaware State Police Conducting Homicide Investigation- Dover

Dover– Delaware State Police are conducting a homicide investigation that occurred Sunday morning in Dover.

On October 10, 2021, at approximately 1:03 a.m., troopers were dispatched to the 1500 block of Nathaniel Mitchell Road, Dover, DE for a report of a shooting. Upon arrival, troopers located three males and two females who all suffered gunshot wounds. All victims were transported to Bayhealth Hospital Kent Campus for treatment. At the hospital, a 22-year-old male victim was pronounced deceased. Identification is pending notification to next of kin. The two other males ages 25 and 19 are in stable condition. A 25-year-old female victim was transported from Bayhealth to Christiana Hospital in critical condition and the other 19-year-old female was treated and released.

The initial investigation revealed that there was a party at the residence on Nathaniel Mitchell Road where subjects were standing in front of the residence. A vehicle approached the residence with an unknown number of occupants. At that time, numerous rounds were fired at the partygoers standing in front of the residence resulting in 5 people being struck. The suspects then fled in an unknown direction.

There is currently no suspect information available.

This case remains an active and ongoing investigation being conducted by the Delaware State Police Homicide Unit.
