

# Delaware State Police Investigating Fatal Motor Vehicle Collision

Delaware State Police are investigating a fatal motor vehicle collision that occurred in the Camden-Wyoming area on Wednesday morning.

On June 29, 2022, at approximately 7:51 a.m., a gray 2004 Pontiac Vibe was traveling eastbound on Willow Grove Road east of Firetower Road. For unknown reasons the Pontiac crossed into the westbound lane of Willow Grove Road and drove off the north edge of the roadway. As the vehicle exited the roadway it began rotating in a clockwise direction. After leaving the roadway the Pontiac traveled a short distance until its driver's side door struck a utility pole. The vehicle then spun, overturned onto its roof, and came to rest in a ditch north of the north edge of Willow Grove Road.

The operator of the Pontiac, a 21-year-old female from Greensboro, Maryland, was properly restrained. She sustained serious injuries and was transported to an area hospital, where she was later pronounced deceased. Identification of the victim is pending notification to the next-of-kin.

No other vehicles were involved in this collision, and no other injuries were reported. The roadway was closed for approximately three hours while the collision was being investigated and cleared.
