Operation Braking Point 2.0 Set to Launch This Month

“Operation Braking Point,” a zero-tolerance, high-visibility traffic safety and enforcement campaign, began January 9, 2023, and continued through to January 23, 2023. The Delaware State Police will again be partnering with the Office of Highway Safety and the Delaware Department of Transportation as we launch “Operation Braking Point 2.0” to further reduce serious and fatal collisions on our major roadways, including Interstate 95 and 495, US Routes 13 and 113, and State Route 1.

Operation Braking Point 2.0 will continue to focus on speeding, which is a significant contributing factor in fatal car crashes. Patrols will be conducted with a zero-tolerance approach throughout all hours of the day from June 9, 2023, through June 17, 2023. DelDOT electronic signs and boards will be reminding drivers to slow down or be ticketed.

We encourage all drivers to slow down, stay focused on the road, and buckle their seatbelts, so everyone can arrive alive this summer season.

Delaware State Police and Delaware Office of Highway Safety Announce “Operation Braking Point”
