

State Police Investigating Fatal E-Bike Crash in Dover

The Delaware State Police are investigating a fatal E-Bike crash that occurred on Monday in Dover.

On March 2, 2026, at approximately 1:45 p.m., a Chevrolet Cobalt was traveling northbound in the left lane on DuPont Highway (US 13) north of POW/MIA Parkway in Dover. At the same time, an Aniioki AQ-177 E-Bike entered the edge of the right lane of DuPont Highway from an unknown location. The preliminary investigation revealed that the E-Bike changed lanes and entered the Cobalt's path of travel. As a result, the Cobalt struck the E-Bike, ejecting the operator.

The operator of the E-Bike, 26-year-old **Jordan Schollenberger** of Camden, Delaware, was taken to a nearby hospital with life-threatening injuries. On March 3rd, he died from his injuries.

The driver of the Cobalt, a 19-year-old-woman from Harrington, Delaware, was not injured.

The [roadway was closed](#) for approximately three hours while the scene was investigated and cleared.

The investigation is still ongoing by the Delaware State Police Troop 3 Collision Reconstruction Unit. Troopers ask anyone who witnessed the crash or has any information to contact Sergeant M.
