

Armed Security Guard FAQ

[What is a firearms upgrade?](#)

A firearms upgrade is for individuals who already hold an unarmed security guard license and wish to be firearms certified.

[Is the training and test required to become an Armed Security Guard?](#)

Yes, you must follow the same procedures as security guard.

[What are the charges that would disqualify me from receiving my firearms card?](#)

See links below for the Delcode and Rules and Regulations. The list of disqualifying charges can be found in [Title 24, Chapter 13, § 1314](#) Security guard registration requirements and Rules and Regulations 6.0 Criminal Offenses and 1.0 Firearm's Policy.

[What happens if I am denied my license?](#)

A certified letter will be sent to the address on the individual's application. A copy of the denial will also be sent to the agency listed on the application. The letter will give you instructions for your next steps.

[What do I need to do throughout the year to stay](#)

qualified?

All individuals are required to shoot at least three times per calendar year to meet the minimum qualifications. See 1.3 under the Firearm's Policy for additional information.
