

Constables

The Board of Examiners of Constables is the regulatory body for this industry. The meeting schedule can be found on the [link below](#).

New Entity/New Commissions

A new entity requesting constable positions must be approved by the Board of Examiners.

Individuals who want to become a new Constable must be sponsored by a licensed entity and must also be approved by the Board of Examiners.

Information for the licensing procedures, for both the entity and new commissions, can be found at the link below:
