Troopers Searching for Man Who Fled From Traffic Stop

The Delaware State Police are searching for 36-year-old **Miekel Grant** of Wilmington, Delaware after he fled from troopers during a traffic stop early this morning.

On December 30, 2022, at approximately 1:21 a.m., a trooper on patrol observed a 2015 white Honda Accord parked behind the Superlodge motel and McDonald's restaurant located at 3010 New Castle Avenue in New Castle. The trooper saw the operator of the Accord speaking with a female standing at the driver's door. The trooper followed the Accord as it left the parking lot and noticed that it failed to properly stop for the posted stop sign at West Avenue. The trooper conducted a traffic stop on Memorial Drive and contacted the driver and only occupant,

identified as Mikel Grant. The trooper detected signs of impairment with Grant and attempted to begin a DUI investigation. However, Grant fled from the traffic stop at a high rate of speed. Troopers began pursuing the Accord for a short time, but the pursuit was discontinued due to Grant's reckless driving.

Troopers later located Grant's vehicle on West 41st Street in Wilmington. The car was unoccupied, but a loaded Glock handgun was found inside. Attempts to contact or locate Grant were unsuccessful, and there is currently a felony warrant on file for Grant's arrest stemming from this incident.

Anyone with information regarding Mikel Grant's whereabouts is asked to contact Corporal Z. Drake at Delaware State Police Troop 2 by calling 302-834-2620, or by dialing 9-1-1. Information may also be provided by contacting [Delaware Crime Stoppers](#) at 1-800-TIP-3333 or via the internet at www.delawarecrimestoppers.com.

For Auld Lang Syne, For Cars Lock Each Time – Keep Your Car Doors Locked!

The Delaware State Police continually investigate theft from motor vehicle complaints. Many of these thefts have occurred from unlocked cars that were left running to warm up during the chilly morning hours. These crimes have resulted in the loss of money, electronics, personal belongings of value, personal identification, and other items. These types of thefts are avoidable by simply taking the extra time to ensure that your car is **locked** while parked at work, gas stations, shopping centers, and your residence, especially while it is unattended and running. Delaware State Police want to share the importance of locking your car each and every time to combat this preventable trend.

The Delaware State Police are offering the following prevention and awareness tips:

- Always keep the doors of your unattended vehicles **locked** and the windows **shut**.
- Do not leave **items of value** in your vehicle. These items include purses, wallets, credit cards, electronics, checkbooks, money, Social Security cards, loose change, documents, and paperwork with your printed personal information.
- Store **valuable tools** inside your residence. If needed daily for work, create an easy system to load and unload, such as using storage containers to transport.
- Lock your **glove box**, which should only store your registration and insurance cards. Do not store your

vehicle title in the glove box. Store it in a safe place in your residence.

- Clear the vehicle of all **clutter** and personal items. This can give the general impression that other property of value may be kept within the vehicle.
- Do not keep a **spare vehicle key** hidden in the same vehicle. Do not store house keys or other keys in your vehicle.
- If possible, keep your vehicle parked under a **lighted area** that you can check from your residence.
- If you have a **surveillance security system** at home, include your vehicle in the angle of your camera. If you locate a suspicious subject on your property or around your vehicle, do not confront them. Instead, call 9-1-1 immediately.

And finally, **be a good witness** for your neighbors, co-workers, and fellow citizens. Pay attention and be aware of what is going on in your neighborhood and other places that you frequent throughout the course of your day.

Avoid taking a false security mindset. These crimes happen in all communities across the region. Your address will not safeguard your property.

Should old acquaintance be forgot? Should all cold car doors be kept locked? Yes! Lock your doors each time, so you can safely and happily welcome the New Year!

Delaware State Police Announce “Women in Aviation and Law Enforcement Seminar”

The Delaware State Police Aviation Section is proud to announce its first-ever “Women in Aviation and Law Enforcement Seminar.” This program, which will last seven weeks, will strive to inspire others to seek careers in these noble and exciting professions. Participants will primarily meet at the DSP Hanger located at the Summit Airport in Middletown on Thursday evenings from 7 p.m. to 8:30 p.m. starting March 2nd, 2023. Two off-site visits are scheduled, however, are contingent on the weather.

Master Corporal Carol Parton, DSP's first-ever female pilot explains, "Before joining DSP, I actually worked as a civilian at Summit Airport. One day I watched the State Police Helicopter return to the airport and land after completing a mission. I remember feeling in awe of the aircraft and had an opportunity to speak to the pilot. He was so kind and interesting, ultimately inspiring me to want to become a Trooper and fly a helicopter for DSP. I hope to be as inspiring to someone else and just maybe they will consider a career in police work and aviation."

Attendees will experience a variety of presentations over the course of the seven weeks, learn about the history of women in aviation, and hear from aviation industry experts. Aviation Unit Commander Captain Jeff Whitmarsh says, "Our goal is to also showcase many of the interesting aspects of the State Police and how we work to positively impact public safety. Participants in this seminar will speak with leaders of several of our special units and learn how the Aviation Unit supports them."

Those interested in participating must be at least 18 years of age and submit an email outlining their interest to DSP_AviationAdmin@delaware.gov. The deadline for submissions is February 1st, 2023.
