

Troopers Seeking Public's Assistance Identifying Driver Involved in Hit and Run Crash- Georgetown

Georgetown, DE- Delaware State Police are seeking the public's assistance in identifying and locating a driver involved in a hit and run crash that seriously injured a 12-year-old female Monday morning.

On July 5, 2021, at approximately 11:00 a.m. Delaware State Police responded to a hit and run injury collision involving a truck and ATV. Through witness interviews, troopers determined a flatbed truck pulling a trailer was traveling south in the area of 18000 Shingle Point Road, Georgetown. A red Honda Recon ATV with three juvenile occupants entered Shingle Point Road from a private driveway in the same area. The flatbed truck attempted to avoid colliding with the ATV by entering the northbound lane but could not avoid striking the rear of the Honda Recon. As a result of the collision, the 12-year-old female rear passenger was ejected from the ATV and collided with the asphalt pavement of Shingle Point Road.

After impact, the operator of the flatbed truck stopped and checked on the occupants before fleeing the scene by traveling south on Shingle Point Road and possibly making a right onto Briarwood Road.

The 12-year-old female was transported by helicopter to an area hospital in critical condition.

The suspect vehicle is described as a white truck with a black flatbed. It was pulling a trailer with red wooden sides. No photographs are available at this time.

The operator of the truck is described as a heavysset white male wearing a red shirt. No photographs are available at this time.

This collision remains under investigation by Delaware State Police Troop 4. Anyone with information should contact Cpl/1 W. Wyatt Bullock by calling 302-856-5850. Information may also be provided by calling Delaware Crime Stoppers at 1-800-TIP-3333 or via the internet at <http://www.delaware.crimestoppersweb.com>.

Delaware State Police Issue 4th of July Safety Messages

The Delaware State Police would like to wish everyone a safe and happy holiday as family and friends gather to enjoy summer activities.

As we take time this July 4th holiday to celebrate our Nation's freedoms, we must not forget the dangers that can arise from traveling on our roadways. The Delaware State Police will be patrolling the roadways this July 4th holiday to ensure that everyone is safely driving with due care.

Troopers will be tasked with deterring, tracking, targeting and arresting impaired drivers to reduce traffic fatalities and serious injuries on our highways during this July 4th holiday. Troopers will also be focusing on pedestrian safety and enforcement, distracted driving, motorists not wearing seat belts, unrestrained children in vehicles, and any aggressive driving behaviors such as speeding, following too close, and especially, driving under the influence. By following these easy steps, a driver can enjoy safe holiday travel without jeopardizing their life or the lives of others on the road:

- Ensure all occupants are properly restrained.
- Plan a safe way home before the festivities begin.
- Before drinking, please designate a sober driver and give that person your keys. If you're impaired, use a taxi, call a sober friend or family member, or use public transportation so you are sure to get home

safely.

- If you see a drunk or aggressive driver on the road, immediately contact 9-1-1 as soon as safely possible.
- If you know someone who is about to drive while impaired, take their keys and help them make other arrangements to get to where they are going safely.

The state police would also like to remind motorists of the following safety tips:

- Plan your trip before you embark on your journey.
- Have your car checked by a mechanic. Make sure all fluid levels are checked and your vehicle is in top running condition.
- Take a break every two hours on long trips and take turns driving. Studies have shown that weary drivers are just as much a threat as drunk drivers are on our highways.
- Don't let your children go to a rest stop alone. When taking a break, always accompany your children to the rest area facilities.

As you begin your holiday weekend we would like to cover a few safety tips to keep you and your family safe.

While Traveling

- Be aware of the current road conditions.
- Park in well-lit and well-traveled areas
- Keep your car doors locked at all times.
- Don't use cell phones or other electronic devices while driving.
- Don't place your baggage or other valuables in a place where criminals can easily see them.
- Park as close as you can to your destination and take notice of where you parked.

- When approaching or leaving your vehicle, be aware of your surroundings.
- Do not approach your car alone if there are suspicious people in the area.
- Don't drink and drive, and don't ride with anyone who has been drinking. There will be DUI Checkpoints conducted throughout the weekend: [Delaware Office Of Highway Safety Activates July 4th Statewide DUI Checkpoints + Soberlift Program At The Beaches](#)

While at your destination

- Be aware of your surroundings
- Beware of strangers approaching you for any reason.
- Be able to describe your exact location in an emergency situation.
- Teach your child to go and ask for help in case your child is separated from you.
- Teach children to stay close to you at all times.
- Never allow children to make unaccompanied trips to the restroom.
- Children should never be allowed to go to the car alone or should never be left alone in a car.
- If you've had something stolen or have been the victim of a crime, it's important to report the details to the police immediately by calling 911.

The Delaware State Police would like to wish everyone an enjoyable and safe July 4th holiday.

Added Summer vacation crime prevention tips

Summer vacation will be here before we know it, and the last thing you need after a relaxing vacation is to return home and find that you have been a victim of a criminal act, especially a burglary. Here are a few tips that may keep you from being a victim.

-Remember to place your mail, packages, and newspaper on hold. Criminals notice when the mail piles up or newspapers are scattered on the lawn. Criminals know this is a good indication that you are out of town.

-Place your lights, televisions, and radios on timers. This provides the image that someone is home. Be sure to close all blinds to ensure a potential criminal does not have the ability to peer inside your residence and monitor activity.

-Be sure to lock all doors, windows, garage doors, storage sheds, vehicles, and gates prior to leaving your residence.

-Remember to set your security alarm system if you have one. Test your system prior to leaving, to ensure it is functioning

correctly. Ensure your personal contact information is also up-to-date; to ensure your alarm monitoring company has the ability to reach you.

-Have a close trustworthy friend or relative check on your residence while you are away.

-As excited as you may be to update your friends about your vacation on social media, you may strongly wish to reconsider. Remember, anyone that is able to access your social media profile, will gain insight that you are away on vacation. Potential criminals pay attention to these details and could attempt to break into your home while you are away.

Enjoy your vacation!

Laurel, DE- Delaware State Police are investigating a single vehicle fatal collision that occurred early Thursday morning east of Laurel.

On July 1, 2021, at approximately 3:34 a.m., a Mercury Marauder operated by an 18-year-old male of Seaford, was traveling northbound on Scott Land Road in the area of the intersection of Ross Point Road approaching an s-curve in the road.
