Delaware State Police Warn Residents of Recent Scam Trend- Delaware

Delaware— Delaware State Police are issuing the following advisory in response to a recent phone scam reported in Delaware.

The Delaware State Police have recently taken reports of incidents where individuals have received phone calls from someone posing as a family member in trouble and need financial assistance. During these most recent scam calls, the recipient is instructed to withdraw a large amount of money, and a courier responded to the residence and collected the money. As a reminder, if someone calls and advises a family member is in trouble and needs money sent to them, immediately attempt to contact the family member to verify their status on your own. Never assume because the person calling knows the family members' name that the request for money is valid.

Indicators of scam calls are threats, orders to not hang up, and other statements about immediacy.

To help prevent these types of calls, talk to your phone company about call blocking tools they may have, and check into apps that you can download to your mobile device to block unwanted calls. Additional information on phone scams can be located on the Federal Communications Commissions website located at: https://www.fcc.gov/general/frauds-scams-and-alerts-guides

Many of these scams are difficult to investigate. Scams will target persons of all age groups. The Delaware State Police is asking citizens to remember safety tips not to become victims of one of these scam artists.

If you or someone you know is a victim or witness of crime or have lost a loved one to a sudden death and are in need of assistance, the Delaware State Police Victim Services Unit/Delaware Victim Center is available to offer you support and resources 24 hours a day through a toll free hotline 1800 VICTIM-1. Delaware State Police Arrest Dover Man After Pursuit in Stolen Vehicle and Resisting Arrest- Lincoln

Lincoln- Delaware State Police arrested 56-year-old **Joseph S. Sanders** of Dover on multiple criminal and traffic charges following a pursuit on Monday.

On March 8, 2021, at approximately 11:26 a.m., a trooper patrolling northbound on North Old State Road approaching Fleatown Road observed a white Subaru Legacy make a right-handed turn off of Fleatown Road and begin traveling northbound on North Old State Road before turning into a private driveway. A computer inquiry of the vehicle registration revealed the vehicle was reported stolen on February 26, 2021. The trooper attempted to conduct a traffic stop on the car as it began exiting the private driveway. The operator failed to stop and began traveling northbound on North Old State Road. The operator of the Subaru conducted multiple moving violations while trying to flee from the trooper. The Subaru turned off North Old State Road onto South Walnut Street and then onto Pennsylvania Avenue, a dead-end street. The Subaru operator pulled to the rear of a residence on Pennsylvania Avenue, quickly exited the vehicle, and attempted to hide under a Jeep Wrangler parked in the yard. The operator complied with the verbal commands given by the trooper to exit from underneath the Jeep. As the trooper attempted to place the operator, later identified as Joseph S. Sanders, under arrest, he began actively resisting and fight the trooper. Sanders failed to comply with commands to stop resisting and taken into custody after being tased. Sanders did not require medical attention. During the altercation, the trooper received a minor injury to his hand and damage to his

uniform. The trooper did not require medical attention.

A computer inquiry revealed Sanders was wanted on two active Capias' out of Sussex County Superior Court and was a fugitive from home confinement.

A search of Sanders' person incident to arrest the following items were located:

- Approximately .74 grams of Cocaine
