Delaware State Police Investigating Double Fatal Collision- Newark

Newark– Delaware State Police are investigating a fatal motor

vehicle collision that claimed the lives of two individuals late last night.

The incident occurred on November 25, 2020, at approximately 10:40 p.m., when a 2000 Honda Civic operated by a 22-year-old male of North East, MD, was traveling northbound on I-95 in the left center lane north of the Churchman's Road overpass. A vehicle not involved in the crash merged from the right center lane into the left center lane and caused the Civic to lose control and strike the concrete Jersey barrier. The Civic then became disabled in the left lane of I-95 northbound.

A 29-year-old male of North East, MD, that was traveling in front of the Civic pulled over on the shoulder after witnessing the collision and exited his vehicle to check on the operator of the Civic. At the same time, a 2020 Kia Stinger was rapidly approaching the disabled Civic in the left lane. The Operator of the Stinger, a 20-year-old male of Wilmington, DE, veered his vehicle into the left shoulder to avoid striking the Civic but ultimately side swiped the Civic and struck the 29-year-old male standing on the shoulder. After being struck, the pedestrian came to rest in the left southbound lane of I-95, where he was struck by a 2010 Chevrolet Camaro operated by a 19-year-old of Newark, DE.

After striking the pedestrian, the Kia continued traveling out of control until it struck the rear of a 2018 Ford Focus operated by a 25-year-old female of Delmar, DE, who slowed down in the left lane to assist the disabled motorist. The impact caused the Focus to be pushed forward and strike the concrete Jersey barrier on the left shoulder.

The operator and passenger of the Honda Civic were not injured in the collision. The operator and passenger of the Kia Stinger were both transported to a nearby hospital for minor injuries. The operator of the Chevy Camaro was not injured in this collision.

The operator of the Ford Focus was transported to a nearby hospital where she was pronounced deceased.

The pedestrian was pronounced deceased at the collision scene. Both names are being withheld at this time pending the notifications of next of kin.

During the course of the initial investigation, only the two left lanes for southbound I-95 were closed to vehicular traffic. On the northbound side, the left three lanes were closed to vehicular traffic.

This crash remains an active and ongoing investigation. Anyone with information regarding the crash should contact Det. Calio of the Delaware State Police Troop 2 Collision Reconstruction Unit by calling 302-365-8483. Information may also be provided by calling Delaware crime stoppers at 1-800-TIP-3333 or via the internet at http://www.delaware.crimestoppersweb.com

Delaware State Police Offer Thanksgiving Safety Tips- Delaware

Delaware – Delaware State Police wish everyone a happy holiday as family and friends gather to enjoy the Thanksgiving festivities.

As we take time this holiday to celebrate, we must not forget the dangers that can arise from traveling on our roadways. Troopers will be patrolling the roadways this holiday to ensure everyone will arrive at their destination safely.

In addition, throughout the state, Delaware State Police will be focusing on safety and enforcement which include distracted driving, motorists not wearing seat belts, unrestrained children in vehicles, aggressive driving and especially, driving under the influence.

By following these easy steps, a driver can enjoy safe holiday

travel without jeopardizing their life or the lives of others on the road:

- Ensure all occupants are properly restrained.
- Plan a safe way home before the festivities begin.
- Before drinking, please designate a sober driver and give that person your keys. If you're impaired, use a taxi, call a sober friend or family member, or use public transportation so you are sure to get home safely.
- If you see a drunk or aggressive driver on the road, immediately contact 911 as soon as safely possible.
- If you know someone who is about to drive while impaired, take their keys and help them make other arrangements to get to where they are going safely.

Delaware State Police would also like to remind motorists of the following safety tips:

- Plan your trip before you embark on your journey.
- Have your car checked by a mechanic. Make sure all fluid levels are checked and your vehicle is in top running condition.
- Take a break every two hours on long trips and take turns driving. Studies have shown that weary drivers are just as much a threat as drunk drivers are on our highways.
- Don't let your children go to a rest stop alone. When taking a break, always accompany your children to the rest area facilities.

As you begin traveling this holiday we would like to cover a few safety tips to keep you and your family safe.

While Traveling

- Be aware of the current road conditions.
- Park in a well-lit and well-traveled areas.

- Keep your car’s doors locked at all times.
- Don’t use cell phones or other electronic devices while driving.
- Don’t place your baggage or other valuables in a place where criminals can easily see them.
- Park as close as you can to your destination and always remember to turn off your car, lock and remove your keys when exiting.
- When approaching or leaving your vehicle, be aware of your surroundings and never carry a large amount of cash or valuables.
- Do not approach your car alone if there are suspicious people in the area.
- Don’t drink and drive, and don’t ride with anyone who has been drinking

While at your destination

- Be aware of your surroundings.
- Beware of strangers approaching you for any reason.
- Be able to describe your exact location in an emergency situation.
- Teach your child to go and ask for help in case your child is separated from you.
- Teach children to stay close to you at all times.
- Never allow children to make unaccompanied trips to the restroom.
- Children should never be allowed to go to the car alone or should never be left alone in a car.
- If you’ve had something stolen or have been the victim of a crime, it’s important to report the incident

immediately by calling 911.

Added crime prevention tips while you are away from home.

-Remember to place your mail, packages, and newspaper on hold. Criminals notice when the mail piles up or newspapers are scattered on the lawn. Criminals know this is a good indication that you are out of town.

-Place your lights, televisions, and radios on timers. This provides the image that someone is home. Be sure to close all blinds to ensure a potential criminal does not have the ability to peer inside your residence and monitor activity.

-Be sure to lock all doors, windows, garage doors, storage sheds, vehicles, and gates prior to leaving your residence.

-Remember to set your security alarm system if you have one. Test your system prior to leaving, to ensure it is functioning correctly. Ensure your personal contact information is also up-to-date; to ensure your alarm monitoring company has the ability to reach you.

-Have a close trustworthy friend or relative check on your residence while you are away.

-As excited as you may be to update your friends about your travel on social media, you may strongly wish to reconsider. Remember, anyone that is able to access your social media profile, will gain insight that you are away. Potential criminals pay attention to these details and could attempt to break into your home.

Delaware State Police would like to remind everyone that your safety is our priority and we wish you an enjoyable and safe Happy Thanksgiving.
