“OPERATION CLEAR TRACK 2020” Virtual Event During National Rail Safety Week-September 21-27

Delaware– The Delaware State Police joins North American rail-safety operation aimed at reducing preventable deaths and injuries on rail lines.

The Delaware State Police is proud to be joining forces with law enforcement agencies in the U.S. and Canada for “Operation Clear Track” – the single largest rail-safety law-enforcement initiative in North America. Coordinated by [Amtrak](#), [Operation Lifesaver Inc.](#) and [Operation Lifesaver Canada](#), Operation Clear Track aims to reduce the number of railway crossing and trespassing incidents in the U.S. and Canada – incidents which seriously injure or kill more than 2,100 people each year. The event is held during the annual observance of [Rail Safety Week, September 21-27.](#)

“The goal of Operation Clear Track and Rail Safety Week is to raise awareness of the importance of safe behavior near tracks and trains, in support of OLI’s mission to save lives,” said Operation Lifesaver, Inc. Executive Director Rachel Maleh.

Due to the ongoing pandemic, law enforcement agencies will be participating in a **virtual Operation Clear Track** event this year. Police and sheriff departments across North America will be promoting rail safety through social media messages, by sharing Operation Lifesaver’s #STOPTrackTragedies public service announcements and other videos, and by posting other rail safety information to their department websites.

Please follow these safety tips:

- Never walk, run, play or take pictures on the railroad right-of-way. If you are on or near the tracks, you are trespassing on private property and breaking the law.
- Never attempt to outrun an approaching train. It can take a train a mile or more to stop.
- If you're standing on the train tracks, you may not hear or feel an oncoming train in time to get away safely.
- Only cross the tracks at designated public crossings.
- Never drive or walk around lowered grade crossing gates.
- Never begin to drive across the tracks unless you can get all the way across.
- Always call the Emergency Notification System (ENS) number 24 hours a day to report problems or obstructions at the crossing. Look for the number on the blue sign near the crossing or on the cross-buck.
- Always know that the average train is three feet wider than the track on each side.
- Always slow down and stop your vehicle prior to train tracks when lights begin to flash.

For more information about Rail Safety Week, Operation Clear Track, and other rail-safety initiatives and tips, please visit www.oli.org.

Delaware State Police Investigating Collision With Three Fatalities- Newark

Newark— The Delaware State Police are investigating a motor vehicle collision involving three fatalities that occurred early this morning.

The incident occurred on September 19, 2020, at approximately 2:07 a.m., when a 2003 Chevrolet Suburban was traveling westbound on Old Baltimore Pike approaching Robert L. Melson Lane. Three occupants inside of a 2015 Hyundai Sonata were traveling eastbound on Old Baltimore Pike. For unknown reasons, the Sonata crossed into westbound lanes striking the front of the Suburban for a head on collision.

The operator of the Suburban, a 35 year-old male from Newark, DE was pronounced deceased at the scene.

The operator of the Sonata, a 25 year-old male from of Cary, NC was properly restrained and transported to Christiana Hospital where he was pronounced deceased. The front seat passenger in the Sonata, a 26 year-old male from New Castle, DE was properly restrained and transported to Christiana Hospital where he was pronounced deceased. The third occupant, a 26 year-old male from Linwood,

PA who was seated in the second row was transported to Christiana Hospital and treated for serious injuries.

All names are being withheld at this time pending the notifications of next of kin.

Westbound Old Baltimore Pike was closed for approximately 3.5 hours while the crash was investigated and cleared.

The investigation is ongoing, and anyone with information regarding the crash should contact Det. Forester of the Troop 2 Collision Reconstruction Unit by calling 302-365-8485.

Information may also be provided by calling Delaware crime stoppers at 1-800-TIP-3333 or via the internet at <http://www.delaware.crimestoppersweb.com>

Delaware State Police Investigating Double Fatal Collision- Wilmington

Wilmington– The Delaware State Police are investigating a double fatal motor vehicle collision that occurred last evening.

The incident occurred on September 18, 2020, at approximately 9:08 p.m., when a 2000 Chevrolet Blazer was traveling westbound on Kirkwood Highway (Rt.2) east of Rt. 41, and crossed over the median into the eastbound lanes of Kirkwood Highway. The Blazer drove directly into the path of a 2018 Jeep Renegade that was traveling in the center lane of eastbound Kirkwood Highway. The Blazer struck the front of the Jeep for a head-on collision. Both operators had to be extricated from their vehicles as a result of the crash.

The operator of the Blazer, a 52 year-old male from Bear, DE was properly restrained and transported to Christiana Hospital where he was pronounced deceased.

The operator of the Jeep, a 62 year-old female from of Wilmington, DE was properly restrained and transported to Christiana Hospital where she was pronounced deceased

Both names are being withheld at this time pending the notifications of next of kin.

Eastbound Kirkwood Highway was closed for approximately 4 hours while the crash was investigated and cleared.

The investigation is ongoing, and anyone with information regarding the crash should contact Det. Calio of the Troop 2 Collision Reconstruction Unit by calling 302-365-8483.

Information may also be provided by calling Delaware crime stoppers at 1-800-

***Update* Delaware State Police Investigating Serious Crash- Dagsboro**

Dagsboro- Delaware State Police are investigating a serious crash that occurred at approximately 9:12 a.m. this morning on Armory Road, Dagsboro.

The investigation revealed a 2006 GMC Canyon pickup truck was traveling southbound on Armory Road approximately .4 miles north of Murray Road. A 5-person Department of Transportation maintenance crew, who were all wearing yellow reflective vests, were completing work on low hanging trees in the same general vicinity. Several pieces of DELDOT machinery were positioned on the shoulder with their yellow flashing safety strobes activated. The operator of the GMC, a 32-year-old male from Millsboro, failed to provide proper time and attention to the roadway causing the right side of the vehicle to travel slightly onto the shoulder, striking two DELDOT employees. After the collision, the vehicle continued a short distance before stopping, turning around and returning to the scene.

The DELDOT employees involved in the collision were a 37-year-old male from Millsboro, who was transported to an area hospital by ambulance for serious injuries and was released. The second employee was a 20-year-old male from Dagsboro. He was transported to an area hospital by ambulance for minor injuries and was released.

The operator of the vehicle was uninjured. He was charged with inattentive driving and no insurance.

This collision is being investigated by Delaware State Police

Collision Reconstruction Unit. Anyone with information regarding the collision is asked to be contacted Detective A. Mendez at 302-644-5020.
