# Troopers Attempting to Locate Wanted Suspect Steven L.

# McCormick Jr.

The Delaware State Police are attempting to locate Steven L. McCormick Jr., 22 of Salisbury, Maryland who is wanted on domestic related assault charges and reckless endangering of responding troopers.

On Thursday, February 28, 2019, a physical domestic incident occurred on Boyd Drive, Magnolia between Steven L. McCormick Jr. and his girlfriend. During the incident the suspect punched her multiple times and prevented her from contacting 9-1-1 by damaging her phone. McCormick then fled the scene in a stolen vehicle; a 2010 gray Ford Fusion.

On the same date the stolen vehicle was seen at Walgreens located at 9202 Commercial Drive, Bridgeville, Delaware. As the first trooper arrived on scene and attempted to exit the patrol vehicle, the suspect drove at the trooper and slammed into the passenger side compartment of the patrol vehicle. The trooper exited the patrol vehicle and began giving commands and the driver continued to ram the rear of the stolen vehicle into the side of the patrol vehicle in an attempt to prevent capture. The trooper sustained minor injuries.

Another trooper arrived on scene and exited his patrol vehicle to assist when the suspect then recklessly drove the stolen vehicle in the direction of the trooper causing him to jump out of the way to avoid being struck. McCormick fled the scene and was observed traveling on Sussex Highway in the area of Bridgeville Road. A computer check revealed his Maryland driver's license was suspended.

# Delaware State Police Announce 2018 Trooper and Civilian Employee of the Year

*Dover, DE-* At a ceremony held on Monday, February 25, 2019, Superintendent of the Delaware State Police, Colonel Nathaniel McQueen Jr., announced the winners of the annual Trooper of the Year and Civilian of the Year awards.

## Trooper of the Year

Each year the Delaware State Police Executive Staff selects one Trooper for the Trooper of the Year Award. To be nominated, a trooper must exceed performance standards and be recognized by his or her peers, as one who epitomizes the ***Core Values of the Division***, which are ***Honor, Integrity, Courage, Loyalty, Attitude, Discipline and Service***.

This year, ten Troopers were nominated, and out of those worthy nominees, the Executive Staff selected ***Trooper First Class Christopher Solda, as the 2018 Trooper of the Year***, for his outstanding efforts and contributions to the Division and the citizens of the State of Delaware.

A three year veteran assigned to Troop 3, TFC Solda excelled

in making significant arrests and furthering critical investigations of criminal activity related to weapons offenses/shootings/seizures, human trafficking investigations, theft from motor vehicles, drug crimes, and fraudulent identification cards. TFC Solda proactively generated these arrests and related investigations; he prides himself on being thorough, exhaustive and relentless in his pursuit of criminals.

As his first line supervisor, Sgt. Scott Horsman noted, "TFC Solda not only solves cases; he catches criminals in the act of committing crimes." In addition to excelling in the criminal aspect of policing, TFC Solda continues to thrive with his additional duties as a patrol trooper, to include traffic enforcement and community outreach, based on his involvement with Troop 3's STaRS program.

TFC Solda was also presented with the Randall Armistead Trooper of the Year Award on behalf of the Delaware State Troopers Association.

criteria:

1. Exceptional service as identified by the employee's performance evaluations
2. A consistent record of such service through their years of employment
3. Recognition by their peers for outstanding character and integrity.

This year, seven Delaware State Police civilian employees were nominated for the award, and the Executive Staff of the Delaware State Police selected latent print examiner; ***Anthony DiNardo of the State Bureau of Identification, as the 2018 Civilian of the Year.***

In 2018, Tony received and analyzed 1,534 latent prints in 2018 making positive identification "hits" on 658 of these submissions. He also solved 826 latent cases leading to numerous arrests and the closure of many pending cases, for the Delaware State Police and other allied agencies.

Additionally, the success of the Delaware State Police's acquisition and utilization of facial recognition technology should largely be attributed to Mr. DiNardo.
