State Police Investigating Industrial Accident-Harbeson

Harbeson, Delaware – The Delaware State Police are investigating an industrial accident that claimed the life of a Bridgeville man.

On October 5, 2018, at approximately 8:54 p.m., troopers were dispatched to a CPR in progress at the Allen Harim Chicken Plant located at 18752 Harbeson road for an industrial accident involving an employee with serious head trauma. The

preliminary investigation has determined, a 59-year-old employee was seriously injured as he and another employee attempted to change the battery on a pallet jack. The new replacement battery was secured in an electric hoist. While the battery was being lowered via the electric lever the corner of the new battery got hung up on the corner of another battery that was sitting stationary next to the jack. The employee was leaning forward in attempt to manually guide the new battery onto the jack away from the obstruction. After the new battery cleared the obstruction it continued to lower in a downward motion. The horizontal block portion part of the hoist struck the employee. The employee was transported by EMS to the Beebe Hospital where he succumbed to his injuries.

Detectives are continuing their investigation. There are no signs of foul play. The body was turned over to the Delaware Division of Forensic Science. The name of the victim will not be released as is DSP practice when investigating these types of industrial incidents.

If you or someone you know is a victim or witness of crime or have lost a loved one to a sudden death and are in need of assistance, the Delaware State Police Victim Services Unit/Delaware Victim Center is available to offer you support and resources 24 hours a day through a toll free hotline 1800 VICTIM-1. (1800 842-8461). You may also email the unit Director at debra.reed@delaware.gov

Troopers Investigating Fatal Crash-Milford

Milford— The Delaware State Police Collision Reconstruction Unit is currently investigating a fatal crash that occurred earlier this afternoon.

The incident occurred at approximately 1:17 p.m., on Friday, October 5, 2018, when a 2000 Pontiac Bonneville was traveling northbound in the left lane of SR 1 (Bay Road) south of the Thompsonville Road exit ramp, north of Milford. A 2016 Toyota Rav-4 was also traveling northbound in the left lane of SR 1, directly in front of the Pontiac Bonneville. The operator of the Bonneville failed to give full time and attention to the roadway and the front of his vehicle collided with the rear of the Rav-4, while both vehicles were in motion traveling northbound. This collision caused the driver of the Rav-4 to lose control and cross the grass median into the southbound lanes of travel. A 2006 GMC Yukon was traveling southbound in the left lane on SR 1. The front of the Rav-4 struck the front of the Yukon, in a near head-on collision. The force of this collision caused the Yukon to enter into the right travel lane of southbound SR 1. A 2004 Mercury Grand Marquis was traveling southbound in the right lane of SR 1 and was struck on the

left side by the right side of the Yukon. The collision caused the Grand Marquis to exit the right side of the roadway and strike a utility pole with its front end. Following the chain-reaction collision, the Bonneville continued northbound and came to a controlled stop within the center grass median. The Rav-4, after being struck by the Yukon, rotated slightly counter-clockwise and came to an uncontrolled stop near the yellow divider line of the southbound lanes of SR 1. The Yukon came to a stop on the grassy shoulder of SR 1.

The passenger of the Mercury Marquis, 75-year-old female of New York, was transported by EMS to the Kent General Hospital and later succumbed to her injuries sustained in this collision.

The driver of the Pontiac Bonneville, Shane R. Fenimore, 28 of Millsboro, was not injured. A computer check revealed he had an active capias warrant from the Sussex County Court of Common Pleas. He was taken into custody and transported to the court. The investigation is ongoing and charges are pending.

The driver of the Toyota Rav-4, 52-year-old male of Rehoboth Beach was transported and admitted to the Milford Memorial Hospital with non-life threatening injuries. His passenger, 46-year-old male of Millsboro, was also transported to the Milford Memorial Hospital with non-life threatening injuries.

The driver of the GMC Yukon, 47-year-old male of New Jersey, was transported to Milford Memorial Hospital with non-life threatening injuries. His passenger, 53-year-old-female of New Jersey was transported to Milford Memorial Hospital with non-life threatening injuries.

The driver of the Mercury Grand Marquis, 76-year-old-male of New York, was transported to the Kent General Hospital with non-life threatening injuries and was admitted.

All drivers and passengers were wearing their seat belts.

The roadway in the area of the crash was closed for approximately two hours while the investigation was completed and the roadway was cleared.

Identification is pending notification of next of kin and extended family.

If you or someone you know is a victim or witness of crime or have lost a loved one to a sudden death and are in need of assistance, the Delaware State Police Victim Services Unit/Delaware Victim Center is available to offer you support and resources 24 hours a day through a toll free hotline 1800 VICTIM-1. Delaware State Police Pipes & Drums Help Honor World War II Orphans and Their Families

Washington D.C. – On Saturday, September 29, 2018 the Delaware State Police Pipes and Drums had the extreme honor of taking part in a wreath laying ceremony held at the **National World War II Monument**, located on the National Mall in Washington D.C., as part of the **American World War II Orphans Network (AWON), 2018 Annual Gala Gathering.**

AWON is a national organization dedicated to locating sons and daughters of Americans who died or are still missing from World War II, honoring their fathers' service and sacrifice, and educating the public about the impact their fathers' deaths had on the children they left behind.

This year AWON gathered in Washington D.C. to honor the legacy of their fathers, grandfathers and great grandfathers, who made the ultimate sacrifice for their country and for freedom, as well as honoring their own sacrifice and legacy as orphans of **"The Greatest Generation"**.

Being familiar with DSP Pipes & Drums and their appearances at local memorial services and events, Delawarean, and AWON Board of Directors member, **Ms. Billie Myers Meeks**, invited the band to appear at this year's Gala. While the band has a standard repertoire of tunes appropriate for various occasions, Ms. Meeks had a special request for this specific event, which was not part of this repertoire. The request was for **"Highland Laddie"**, which is a tune that was played by a lone, kilted bagpiper, who walked the beaches of Normandy as Scottish troops landed on D-Day. The band quickly got to work on learning and perfecting this new tune, in order to appropriately honor AWON's wishes as well as the memories of

the fallen.

As the ceremony began the DSP Pipes and Drums played Highland Laddie for the first time in public, for what was basically an international audience. The band then played Amazing Grace during the wreath laying ceremony, followed by the playing of Taps, by Delaware State Police Honor Guard Bugler, Sgt. Jonathan Packard.

In the weeks leading up to the event the band understood that this appearance was special, but it wasn't until we were in formation on site at the monument, just prior to playing, that we truly appreciated the significance and gravity of the ceremony. Standing in the shadows of the Washington Monument, Lincoln Memorial and U.S. Capitol, and surrounded by those loved ones who lost their fathers, grandfathers or great grandfathers, it was only then that we truly understood what an honor it was to be allowed to pay tribute to those who lived and died by the motto: **"Duty, Honor, Country"**.

For the Orphans, For the Public, For Our Fathers – www.awon.us

The Delaware State Police Pipes and Drums was established in 2001, and is currently under the leadership of Captain Matthew Cox. The lead bagpipe instructor for the band is Grade II piper Robert Galloway and the drum instructor is Grade I drummer John McKinnon, both of whom emigrated to the U.S. from Scotland. The band is comprised of 21 members – 10 bagpipers, ten drummers and one drum major, each of which have a full time assignment with the Division outside of the Pipes and Drums. The primary purpose of the band is to provide musical solace at funerals and memorial services, and to pay respect and honor to public safety and military personnel. The band also represents the Delaware State Police in parades,

charitable events and public functions when possible. To date, the band has conducted nearly 800 performances in its 17 year history. The band continues to serve as a centerpiece, displaying the professionalism and pageantry of the Delaware State Police, as it strives to further its mission of outreach in the community.

Troopers Investigating Shots

Fired Incident – New Castle

New Castle – The Delaware State Police are investigating a shots fired incident that took place late Thursday night.

The incident occurred at approximately 11:08 p.m., Thursday, October 4, 2018 in the 200 block of Christiana Rd. (DE Rt. 273), New Castle. A 26 year old New Castle man who was on foot in the area, was approached by two subjects on a motorcycle. One of the subjects stated to the male victim “where’s my money”. Immediately after making that statement one of the subjects produced a hand gun, at which time the victim began to run away. As he was running he heard a single gunshot, however he was not struck and was able to escape to a nearby residence at which time he called 911.

The victim was not familiar with the suspects and could not provide a description of them or the motorcycle.

Investigation of the crime scene did produce a 9mm shell casing.

The investigation is ongoing and anyone with information regarding this incident is asked to contact Detective G. Biddle of the Troop 2 Major Crimes Unit at 302-365-8475.

Information may also be provided by calling Delaware crime stoppers at 1-800-TIP-3333 or via the internet at <http://www.delaware.crimestoppersweb.com>

**Troopers Investigating
Threats to Middletown High
School**

Middletown – The Delaware State Police are investigating a pair of threats aimed at Middletown High School that were received earlier this afternoon.

At approximately 12:32 p.m., an unknown male subject called the main office at Middletown High School, which is located at 120 Silver Lake Rd., stating that he was in possession of a bomb, and that he was en-route to the school. The call taker immediately advised the school administration as well as the School Resource Officer assigned to the school. The school was immediately placed on lock-down and additional Troopers were requested to assist with the search of the school. Approximately ten minutes after the initial threatening call, a second call was received by the dispatch center in which a male caller stated that he was in the area of Middletown High School and was in possession of a rifle.

Upon being advised of the second threat all schools in the Appoquinimink School District were placed on lock-down, as a precautionary measure, even though the only corroborated threat involved Middletown High School. Additional law enforcement manpower and resources were also requested to assist with securing the perimeter around the school and to assist with searching the area. Agencies lending assistance to the Delaware State Police included the Middletown Police Department, New Castle County Police Department, Department of Natural Resources K-9 Unit, Delaware River & Bay Authority and

Delaware City Police Department. As part of perimeter security DE Rt. 299 was closed between Silver Lake Rd. and Brick Mill Rd. during the operation.

A systematic search of the interior and exterior of Middletown High School, which included the utilization of multiple Explosive Detection K-9 teams proved negative for any suspicious objects or explosive devices. The surrounding area of the school was also searched on foot by multiple law enforcement officers as well as by air by the Delaware State Police helicopter. This search was also negative for any type of suspicious object, person or weapon.

During the search of Middletown High School, information was received that there was an incident occurring inside Redding Middle School, which was immediately assessed, checked and proved to be unfounded, by officers who were already on site providing perimeter security.

After all buildings were cleared and deemed secure, school dismissal proceeded as normal, with the only exception being at Middletown High School where a staggered dismissal was initiated. The total time that schools were on lock-down was approximately 90 minutes.

After all students and staff were cleared from Middletown High School, Troopers performed a follow-up search of the building and campus as a precautionary measure, which again produced nothing suspicious.

The investigation into the threats is ongoing and anyone with information regarding this incident is asked to contact Detective M. Evans at Middletown High School by calling 302-376-4141 and following the prompts.

Information may also be provided by calling Delaware crime stoppers at 1-800-TIP-3333 or via the internet at <http://www.delaware.crimestoppersweb.com>

Troopers Investigate Shooting During Burglary Incident - Camden - Wyoming

Camden-Wyoming— The Delaware State Police are currently investigating a burglary incident that led to a shooting last evening.

The incident occurred on Tuesday, October, 2, 2018 at approximately 9:37 p.m., when Troopers were dispatched to Pony Track Road for a report of a shooting. Upon arrival, Troopers

located a 45-year-old male who had sustained gunshot wounds to his lower extremities.

Further investigation revealed that the 45-year-old male from Greenwood had entered onto the property without permission. The residents became aware that someone was trespassing in their barn when their alarm activated. The residents, a 73 year-old male and he and his 65 year-old wife responded to the barn where they discovered the male subject. The male resident discharged a firearm and struck the intruder.

The intruder was transported to a local area hospital where he was listed in stable condition.

The two residents were not injured as a result of this incident.

This case continues to remain under investigation with further details being released as they become available. Anyone with information regarding this incident is asked to contact Troop 3, Detective Blomquist at 302-698-8426. Information may also be provided by calling Delaware crime stoppers at 1-800-TIP-3333 or via the internet at <http://www.delaware.crimestoppersweb.com>

Troopers Seek Assistance in Identifying Burglary Suspects – North Wilmington

Wilmington – The Delaware State Police are investigating three attempted burglaries that occurred within a one hour time frame on the morning of August 21st, and are asking for the public's help in identifying the suspects.

The first incident occurred at approximately 6:03 a.m., Tuesday, August 21, 2018 at the Walgreen's Pharmacy located at 1601 Naaman's Rd., Wilmington. Four suspects attempted to make entry into the business by smashing the glass entry doors however they were unsuccessful and fled the scene in a dark colored Chevrolet Traverse. The suspects then proceeded to the Wells Fargo Bank, located at 2024 Naaman's Rd., where at approximately 6:15 a.m., they unsuccessfully, attempted to make forcible entry into the drive-thru ATM. Then at

approximately 6:50 a.m., they arrived at the Bank of America, located at 5215 Concord Pike, where they attempted to make forcible entry into the drive-thru ATM, again unsuccessfully. Each location sustained damage however the suspects obtained no property. The Chevrolet Traverse which had been reported stolen out of Philadelphia was located unoccupied later this same morning on Peachtree Rd. in the area of Naaman's Rd.

The four suspects were described as follows:

- **Suspect #1** (pictured above): male, average height, thin build, wearing a black hooded sweatshirt, light gray pants
- **Suspect #2** (pictured above): male, tall, thin build, wearing a gray hooded sweatshirt, black pants
- **Suspect #3** (no images): male, shorter/broader build, wearing a dark gray hooded sweatshirt, black pants
- **Suspect #4** (no images): male, tall, thin build, wearing a black hooded sweatshirt, black pants

Anyone with information regarding the identities of the pictured suspects or who may have further information regarding these incidents are asked to contact the Troop 2 Property Unit at 302-365-8565.

Information may also be provided by calling Delaware crime stoppers at 1-800-TIP-3333 or via the internet at <http://www.delaware.crimestoppersweb.com>
