Troopers Investigating Serious Crash-Selbyville

Selbyville-Delaware State Police are investigating a serious crash that occurred on Lighthouse Road (SR 54) at the entrance to Mallard Lakes earlier this morning.

The incident occurred on Friday, June 1, 2018 at approximately 2:26 a.m. when a 2017 Volkswagen passenger vehicle, was traveling westbound on SR 54 approaching the Mallard Lakes entrance. A Harley Davidson TriGlide trike motorcycle, was also traveling westbound SR 54, behind the Volkswagen. The operator of the Volkswagen, a 41-year-old Uber driver from Willards, MD, was driving two passengers from Ocean City to a residence in Mallard Lakes. One of the passengers initially provided the driver with a final destination/ landmark of Smitty McGee's, located across SR 54 from the entrance to Mallard Lakes. As the driver was merging into the left turn lane to turn into the parking lot for Smitty McGee's the passenger instructed him to instead turn right into Mallard Lakes where his residence was located. The driver, then turned right causing the right front of his vehicle to hit the left side of the motorcycle. The impact caused the operator of the motorcycle, a 47-year-old male from Rehoboth Beach, and his 42-year-old female passenger to be ejected. The Volkswagen was able to come to a controlled stop and remained at the scene.

The operator of the motorcycle was not wearing a helmet and was removed from the scene by EMS and transported to the Beebe Medical Center, where he was later transferred to the Christiana Hospital. His passenger, who was also not wearing a helmet was removed from the scene by EMS and transported to the Peninsula Regional Medical Center in Salisbury, MD., with serious non-life threatening injuries. It is unknown at this time if impairment is a factor on behalf of the driver.

The operator of the Volkswagen was properly restrained and was removed from the scene by EMS and transported to the Atlantic General Hospital in Berlin, MD with minor non-life threatening injuries. Both of the passengers in the Volkswagen were properly secured and uninjured. Impairment does not appear to be a factor on behalf of the driver.

The roadway was closed for approximately 4.5 hours while the investigation was conducted and the roadway was cleared.

Newark/New Castle – The Delaware State Police and New Castle County Police have arrested ***Shawn G. Madden,*** 32, of Newark, on multiple felony charges stemming from two gun related incidents that took place in their respective jurisdictions within a ten minute time frame, just after midnight on Wednesday.

The investigation began at approximately 12:38 a.m., Wednesday, May 30, 2018, as Troopers responded to an armed robbery at the 7-11 convenience store, located at 699 E. Chestnut Hill Road, Newark. In this incident a white male suspect with a beard and in possession of a handgun approached the 53 year old male employee at the sales counter and demanded cigarettes and cash. The employee complied with the demand by turning over an undisclosed amount of cash and multiple packs of cigarettes to the suspect who then fled in an unknown vehicle. The employee was not injured as a result of the incident.

At approximately 12:49 a.m., a shots fired incident occurred in the parking lot of Georgetown Village Apartments, located in the 200 block of Christiana Road, New Castle, and a red Dodge Charger was identified as a possible suspect vehicle. Through further investigation Madden was also positively identified as the subject who discharged the firearm at Georgetown Village. No injuries or property damage resulted from the firearm being discharged.

Madden was taken in to custody without incident and then transported to Troop 2 where he was charged with the following in regards to the robbery:
