3. Store valuable tools inside your residence. If needed daily for work, create an easy system to load and unload daily, such as, using storage containers to transport.

5. Do not store your vehicle title in the glove box. Store it with other important documents inside your residence.
6. Do not leave items that are perceived as valuable in plain view, such as, a laptop case with no laptop.
7. Clear the vehicle of all clutter and personal items.
8. Do not keep a spare vehicle key hidden in the same vehicle. Do not store house keys or other keys in your vehicle.
9. If possible, keep your vehicle parked in a well-lit area that you can viewed from your residence.
10. If you have a surveillance security system, include your vehicles in the angle of your camera system.

If you observe a suspicious subject on your property, do not confront them, call 911 immediately. Also, be a good witness for your neighbor, as you would want them to do the same for you. Pay attention to what is going on in your neighborhood, and report suspicious activity.

IRS Scam Alert Advisory

Dover- As we enter into the peak tax filing season, the Delaware State Police is providing a Scam Alert Advisory. This is a general alert which is applicable to the entire State of Delaware.

The Delaware State Police have recently been made aware of unsolicited phone calls being received by members of the community, from individuals claiming to be with the IRS . The scam involves a person calling claiming the victim owes money to the IRS and it must be paid promptly. If the victim refuses, they are threatened with arrest, deportation, or suspension of their driver's license, amongst other things. In the most recent phone calls, the individual requests the victim send money in the form of an iTunes card.

Note that the IRS will never:

1. Call to demand immediate payment, nor will the agency call about taxes owed without first having mailed you a bill
2. Demand that you pay taxes without giving you the opportunity to question or appeal the amount they say you owe
3. Require you to use a specific payment method for your taxes, such as a prepaid debit card
4. Ask for credit or debit card numbers over the phone
5. Threaten to bring in local police or other law-enforcement groups to have you arrested for not paying.

This information was provided through the IRS website located at: http://www.irs.gov/uac/Tax-Scams-Consumer-Alerts

Many of these scams are difficult to investigate. They will target persons of all age groups. Delaware State Police is asking citizens to remember the tips previously mentioned in order to not become a victim of one of these scam artists.
