Suspicious Vehicle Leads to Drug Arrest

Presented by Public Information Officer, Master Corporal Jeffrey R. Hale

Newark (19711) – The New Castle County Governor’s Task Force (GTF) have arrested a New Castle man after he was found to be in possession of illegal drugs in the parking lot of an area apartment complex.

The incident occurred on Wednesday, August 9, 2017, after GTF members were conducting proactive enforcement in the Abbey Walk Apartments, located at 39 Abbey Lane, Newark, following public complaints of drug dealing in the complex. It was at this time that Task Force members observed a silver Ford Focus in the parking lot. The operator and sole occupant of the vehicle, never entered into any of the buildings of the complex and did not appear to be a tenant of any of the apartments. The male subject was, however, approached by two female subjects on two separate occasions and appeared to conduct drug transactions with each of them. GTF members then approached the Ford Focus at which time the male subject, later identified as Jose A. Silvestre-Soto, 30, was observed

throwing bags of illegal narcotics into the back seat. Silvestre-Soto was then removed from the vehicle. Task Force members subsequently located 15.3 grams of heroin, 8.7 grams of crack cocaine, and 5 grams of powder cocaine inside of the car.

Silvestre-Soto was transported to Troop 2 where he was arrested and charged with Possession of Heroin in a Tier 5 Quantity, Possession with the Intent to Deliver Heroin, Possession of Crack Cocaine, and Possession of Cocaine. He was arraigned at JP Court 11 and released after posting a \$123,500.00 secured bail.

Troopers Conducting Criminal Investigation – Update #2

Presented by Public Information Officer, Master Corporal Jeffrey R. Hale

Wilmington (19804) – Delaware State Police have arrested a 15-year-old Wilmington youth and charged him with multiple crimes following a burglary investigation.

The investigation began on Tuesday, August 8, 2017, at approximately 4:30 a.m., after troopers responded to the C.A.R. Shop, located at 2205 Mitch Road, following an alarm activation. Upon their arrival, troopers observed five subjects flee from the business and gave chase on foot. Four

of the subjects were able to escape, however, a 15-year-old Philadelphia male was located and apprehended a short distance away after falling off a wall and injuring his leg. The male suspect was transported from the scene by ambulance to the Christiana Hospital, where he was admitted for his non-life threatening injuries.

As the investigation continued, it was discovered that the suspects had smashed the front window of the C.A.R. Shop and gained entry into the business. The suspects then removed 18-20 sets of vehicle keys from inside. It was later discovered that a red Hyundai Tiburon, which was found parked in front of the business had been stolen from Juarez Auto Repair, located at 2209 Mitch Road. Troopers also located the vehicle keys, which had been stolen from the C.A.R. Shop, inside of the Hyundai. Further investigation revealed that the suspects had also attempted to steal a Nissan Sentra, which was also parked near the businesses.

On Wednesday, August 9, 2017, troopers again responded to the C.A.R. Shop for a second burglary to the business. The suspects gained entry to the business by breaking through a sheet of wood that had been placed over the window which had been broken the morning before. The suspects proceeded to remove a lock box containing vehicle keys, cash, and a business credit card from the business. They then proceeded to steal a red 2009 VW Jetta and black 2007 Nissan Murano belonging to customers of the business.

At approximately 1:30 p.m., a Delaware State Police detective, who was conducting a follow-up investigation and canvas of the area, observed the stolen black Nissan Murano parked on Fenwick Avenue, in the Kiamensi Gardens development. A 15-year-old Marshallton male, and lone occupant of the car, was taken into custody without incident. It was learned that prior to the discovery of the car, a second occupant of the vehicle, identified as I'Zaya Radke, had exited the car and had responded to his home located on Stanton Road. Responding

troopers then secured the perimeter of the home. A short time later, I'Zaya Radke's mother arrived at the residence and advised troopers of his current location. Radke was then taken into custody at a local business without incident.

A search warrant of the home was then executed at which time detectives located evidence linking I'Zaya Radke to the burglaries and car thefts. Further investigation revealed that Radke was also responsible for an attempted burglary of Major Motors, located at 2010 Mitch Road, which had occurred at approximately 9:00 p.m. on Monday, August 7, 2017.

Radke was subsequently transported to Troop 2 where he was arrested and charged with 2 counts of Burglary 3rd Degree, 4 counts of Criminal Mischief, 3 counts of Conspiracy 2nd degree, Theft, 2 counts of Attempted Burglary 3rd Degree, Theft of a Motor Vehicle, and Attempted Theft of a Motor Vehicle. He was arraigned at JP Court 11 and committed to the New Castle County Detention Center in default of \$25,500.00 secured bail.

The investigation into these incidents is continuing and more arrests are expected. Anyone with any information is asked to contact Detective Bridget Harris at Troop 2 at 302-365-8410. Information may also be provided by calling Delaware Crime Stoppers at 1-800-TIP-3333 or via the internet at <http://www.delaware.crimestoppersweb.com>.

Traffic traveling in front of Cruz stopped suddenly due to debris in the roadway. Cruz, however, was unable to stop which caused the front of his truck to strike the rear of a 2008 BMW 528i, which was being operated by a 32-year-old Dover, DE man. A 1999 Toyota

4-Runner, which had been traveling directly the Dodge Ram, and which was being operated by a 70-year-old Bear, DE woman, was able to stop behind the Ram. However, the rear of the Toyota was then struck by the front of a 2017 Rexhall tractor-trailer, which had been traveling directly behind the Toyota, and which was being operated by a 51-year-old Middletown, DE man. The force of the impact drove the Toyota into the rear of the Dodge Ram. It then became airborne and flipped over before coming to rest in the roadway.

The 70-year-old operator of the Toyota, who was properly restrained at the time of the crash, was trapped in her vehicle for approximately 15 minutes until she could be extricated by responding fire department personnel. She was then treated at the scene by New Castle County Paramedics before being transported by ambulance to the Christiana Hospital with non-life threatening injuries.

Alfonzo Cruz, who was also properly restrained at the time of the crash, was treated at the scene by paramedics before being transported to the Christiana Hospital. He was cited by troopers with Following Too Closely.
