Georgetown Man Arrested by Troopers for Human Trafficking

NEWS RELEASE

DELAWARE STATE POLICE

Superintendent, Colonel Nathaniel McQueen Jr.

United States Department of Homeland Security

Resident Agent in Charge, Jonathan Free

Presented by Public Information Officer, Master Corporal Gary Fournier

Georgetown – The Human Trafficking Task Force comprised of the Delaware State Police, the United States Immigration and Customs Enforcement's Homeland Security Investigations and the Delaware Department of Justice have arrested a Georgetown man in connection with human trafficking.

On Thursday April 6, 2017, **Jorge Arcinieja**, 55 of Georgetown

was arrested after a lengthy investigation into an alleged prostitution operation being conducted out of a mobile home located at 36 Garden Circle in the County Seat Mobile Home Park. Upon conducting surveillance on the home, detectives were able to obtain a search warrant on the residence after observing numerous vehicles and men frequent the home for a short period of time before leaving. When detectives and investigators entered the house, Arcinieja attempted to flee out of the rear door, but was taken into custody without further incident. A 25-year-old female, who was determined to be from the Dominican Republic, was located in a bedroom along with various items used in commercial sex trade.

Through the investigation it was determined that the female victim was transported to the Garden Circle location from outside of Delaware and was confined to a bedroom where she was forced to perform illicit acts with men visiting the home.

Jorge Arcinieja was transported back to Troop 4 where he was charged with Human Trafficking – Sexual Servitude, Trafficking an Individual, and Conspiracy 2nd. He was arraigned at JP2 and committed to Sussex Correctional Institution on $250,000.00 cash bond.

Temporary lodging was established for the female victim by the Delaware State Police Victim Services Unit.

To protect the integrity of the investigation, information regarding the circumstances surrounding how the female became involved in the operation is being withheld.

Investigators are attempting to identify additional individuals involved in the operation. Anyone who may have information regarding this investigation are asked to contact Detective J. Rowley at 302-752-3801. Information may also be provided by calling Delaware Crime Stoppers at 1-800-TIP-3333, via the internet at www.delaware.crimestoppersweb.com, or by sending an anonymous tip by text to 274637 (CRIMES) using the

keyword “DSP.”

If you or someone you know is a victim or witness of crime or have lost a loved one to a sudden death and are in need of assistance, the Delaware State Police Victim Services Unit/Delaware Victim Center is available to offer you support and resources 24 hours a day through a toll free hotline 1800 VICTIM-1. (1800 842-8461). You may also email the unit Director at debra.reed@delaware.gov.

Home Invasion Investigated in Magnolia

Presented by Public Information Officer, Master Corporal Gary Fournier

Magnolia– The Delaware State Police are investigating a home invasion that occurred in the town limits of Magnolia early last night.

The incident occurred around 9:05 p.m., Thursday April 6, 2017 when three male subjects entered a side door of a residence located in the unit block of West Walnut Street. One of the suspects that was armed with a shotgun stood at the side door while the other two went to a nearby bedroom where they confronted two 24-year-old males. The two suspects forcefully removed an undisclosed amount of cash and marijuana from the victims before all three fled the residence. None of the male victims were injured during the confrontation.

The three suspects were only described as males. The first was reported to be approximately 5'10" – 5'11" tall, 150-165 lbs., wearing a dark colored hooded sweatshirt and a black mask. The second suspect was described as being approximately 5'08"-5'11" tall, weighing 250-300 lbs., wearing a light colored hooded sweatshirt. The third suspect was described as being approximately 6'00"-6'03" tall, 170-185 lbs., wearing a

dark colored hooded sweatshirt and armed with a shotgun. No further physical or clothing description available.

Detectives have determined through preliminary interviews and investigation that this was not a random act and believe the victims may have been targeted in the home invasion.

If anyone has any information in reference to this incident, they are asked to contact Detective R. Wright at 302-698-8429. Information may also be provided by calling Delaware Crime Stoppers at 1-800-TIP-3333, via the internet at http://www.delaware.crimestoppersweb.com, or by sending an anonymous tip by text to 274637 (CRIMES) using the keyword "DSP."

“I-95 Drive to Save Lives” and “Drive to Save Lives in Delaware” Traffic Initiatives April 8-9, 2017

Presented by the Director of Public Information Sergeant Richard D. Bratz

The Delaware State Police in partnership with the Delaware Office of Highway Safety have coordinated a multi-state traffic campaign to reduce serious and fatal crashes during National Distracted Driving Awareness Month.

The Delaware State Police are joining forces with 14 other states and local allied partners to reduce traffic deaths and

injuries through traffic enforcement. These initiatives will be a contributing effort to support the International Association of Chiefs of Police (IACP) initiative, “The Drive to Save Lives Campaign.” The IACP leaders’ goal is to change the high-risk behaviors of motorists in order to decrease the number of collisions through a greater awareness, education, strong partnerships, and high-visibility traffic enforcement.

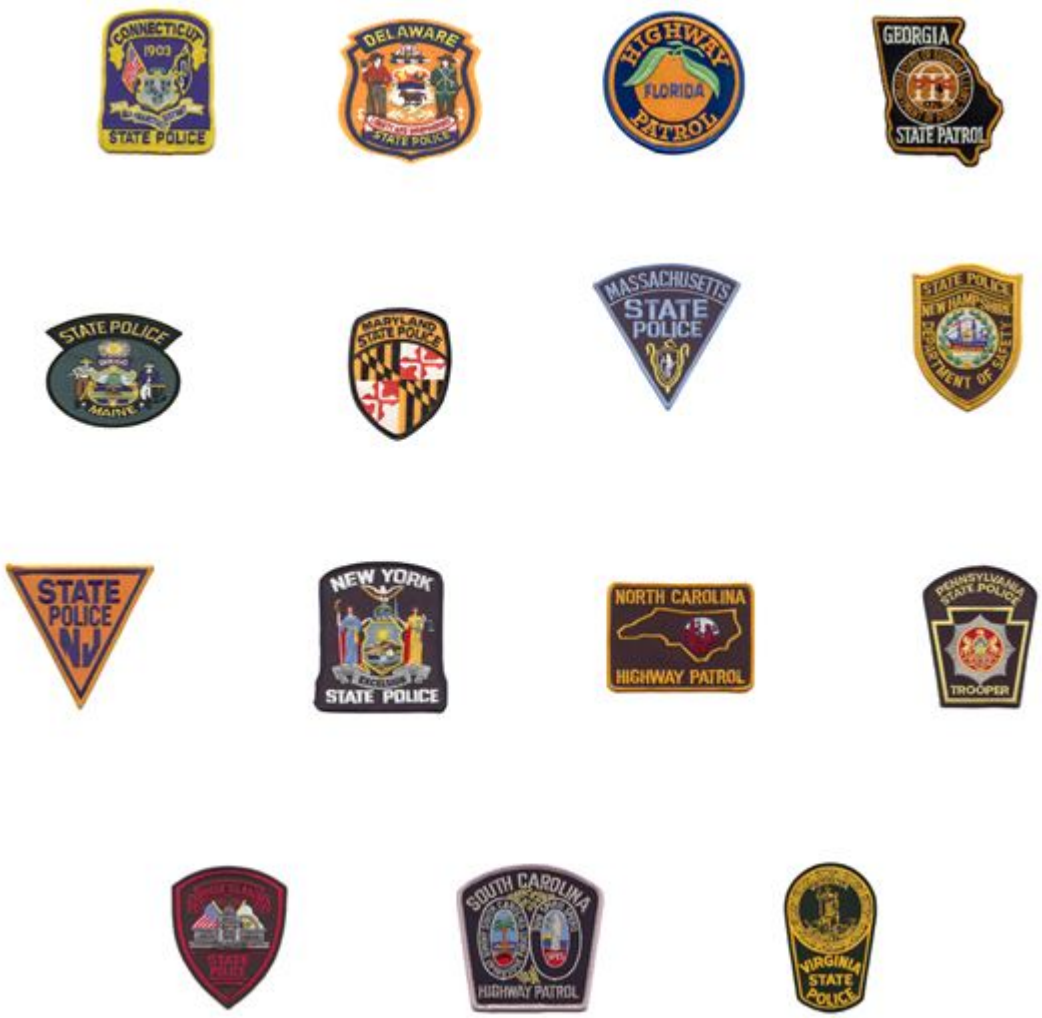

According to NHTSA, 2015 marked the largest increase in traffic fatalities since 1966. Also, the first half of 2016 revealed a similar pattern of increase. The approximate 1,920 miles of I-95 has been ranked among the top 10 in fatalities for the past several years and furthermore, I-95 is the fifth most dangerous interstate in the U.S.

Distracted Driving fatalities increased 8.8% in 2015 and distracted driving is believed to be responsible for 10% of all fatal crashes. With the first six months of 2016 showing an increase in fatal crashes compared to the first six months of 2015, National Distracted Driving Awareness Month proved to be an appropriate time for this initiative.

On Saturday, April 8th through Sunday, April 9th, 2017, law enforcement agencies in each state will conduct traffic enforcement along 1,920 miles of I-95 and other targeted roadways to keep motorists safe and reduce fatalities. The enforcement initiatives will focus on speeding, aggressive driving, distracted driving, impaired driving, seatbelt use, pedestrian safety, as well as motorcycle and commercial vehicle safety and enforcement.

All 15 states that line Interstate 95 from Maine to Florida (**Maine State Police, New Hampshire State Police, Massachusetts State Police, Rhode Island State Police, Connecticut State Police, New York State Police, New Jersey State Police, Pennsylvania State Police, Delaware State Police, Maryland State Police, Virginia State Police, North Carolina State Highway Patrol, South Carolina Highway Patrol, Georgia State**

Patrol, and the Florida Highway Patrol), will be participating in the **"I-95 Drive to Save Lives"** safe driving campaign, led and coordinated by the Delaware State Police.

The following municipalities– **Camden Police Department, Delaware Capitol Police Department, Delaware City Police Department, Delaware River and Bay Authority, Delaware State Police, Dover Police Department, Elsmere Police Department, Greenwood Police Department, Laurel Police Department, Milford Police Department, New Castle City Police Department, New Castle County Police Department, Rehoboth Beach Police Department, Selbyville Police Department** and **Smyrna Police Department**, will be participating in the **"Drive to Save Lives in Delaware"** by conducting traffic enforcement across the approximately 96 miles of the State of Delaware.

Delaware Troopers with support of their allied partners will

be out in full force on Saturday April 8 through Sunday April 9, 2017 conducting traffic enforcement statewide by ground and air, targeting the following roadways, and others throughout the state:

New Castle County

I-95, I-495, SR-1

Kent County

US 13, US 113, SR 1

Sussex County

US 13, US 113, SR 1

"Proactive traffic enforcement during the National Distracted Driving Awareness month is a great example of the continued commitment to maintain safer roads. The Delaware State Police working in conjunction with our state and local allied partners strives to reach our collective goals of increasing awareness of traffic safety and reducing crashes."

Colonel Nathaniel McQueen Jr. Superintendent of the Delaware State Police

"*The Delaware Office of Highway Safety (OHS) is proud to support the I-95 Drive to Save Lives traffic initiative as part of a multi-state program working to decrease fatal crashes and serious injuries on I-95 and to bring attention to April as National Distracted Driving Awareness month. We want drivers to arrive alive – so put your phone down, reduce your speeds, wear your seatbelt and don't drive impaired."*

Update Troopers Investigating Crash East of Harrington

Presented by Public Information Officer, Master Corporal Gary Fournier

Harrington – Troopers are investigating a three vehicle crash east of Harrington that sent two people to an area hospital.

The incident occurred around 9:21 a.m. Tuesday April 4, 2017 as Juan R. Colon, 70 of Lincoln, was operating a 2007 Ford Explorer northbound on Deep Grass Lane and came to a stop at the intersection with Milford-Harrington Highway (SR14). After the stop, the Explorer continued northbound into the intersection and was struck on the left side by a 2011 Dodge Caliber that was traveling eastbound on SR14. Upon impact, the two vehicles entered into the westbound lane causing a westbound 2005 International truck hauling a Southern States tanker loaded with liquid nitrogen, to brake abruptly, which then caused the contents of the tanker to shift and force the truck off the north side of the roadway. The truck and tanker then overturned onto its side and came to a stop just west of the intersection.

Juan Colon was properly restrained and was uninjured in the collision. He was cited for Failure to Remain Stopped.

The 38-year-old male operator of the Caliber was properly

restrained and transported by EMS to Bayhealth Milford Memorial Hospital (MMH) where he was treated and released with non-life-threatening injuries.

The 33-year-old male operator of the tractor trailer was properly restrained and transported to MMH by EMS where he was treated for non-life-threatening injuries.

SR14 was closed for approximately three hours while hazmat crews from Delaware Natural Resources (DNR), Southern States, and DelDOT contained and cleaned up the spill from the tanker.

State Police Investigating a Fatal Collision Involving a Pedestrian – Camden

Presented by Public Information Officer, Master Corporal Gary Fournier

Camden – The Delaware State Police Collision Reconstruction Unit is investigating a fatal crash involving a pedestrian that occurred last evening.

The incident occurred around 9:41 p.m. Monday April 3, 2017 as a 2015 Jeep Compass was traveling northbound on South DuPont Highway (US13) in the left lane approaching Roberts Avenue. An adult female pedestrian was walking westbound across US13 just south of Roberts Avenue and was near the center of the roadway of the left lane when she was struck by the passenger side mirror of the Jeep. The pedestrian slid down the right side of the Jeep before falling into the roadway where she was struck by a 2006 Pontiac G6 and a 2007 Honda Civic that were traveling northbound on US13 a few car lengths behind the Jeep. All three vehicles were able to come to a controlled stop after the collisions and remained on scene.

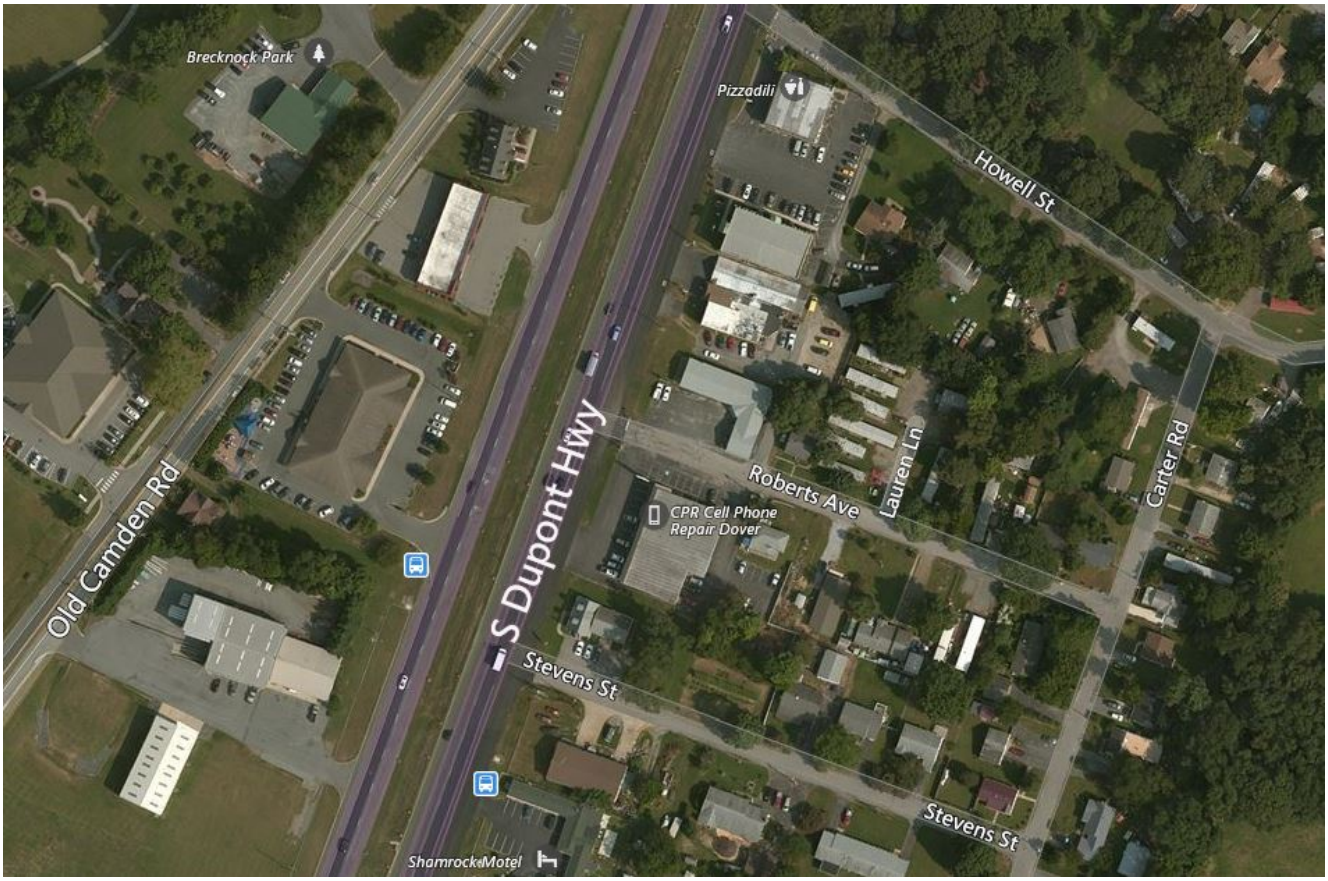

The pedestrian who was wearing dark clothing, not carrying a flashlight, or wearing any type of reflective clothing, was pronounced dead at the scene by Kent County Paramedics. Her name is being withheld pending notification of next of kin.

The operators of all three vehicles were properly restrained and uninjured in the collision.

The Collision Reconstruction Unit is continuing their investigation into this incident. The area of the collision is unlit and there were no crosswalks present. Speed and alcohol involvement on all three of the drivers does not

appear to be a factor in this collision. There is no evidence of alcohol or drug involvement on behalf of the pedestrian at this time. US13 northbound in the area of the incident was closed for approximately three and a half hours while the crash was investigated and cleared.
