State Police Investigating Three-Vehicle Fatal Crash in New Castle

The Delaware State Police are investigating a three-vehicle fatal crash that occurred on Christiana Road in New Castle

last night that left two victims dead.

On August 21, 2024, at approximately 11:20 p.m., a 2008 Dodge Grand Caravan was stopped at a traffic light in the eastbound lanes of Christiana Road, at the intersection with Airport Road. Simultaneously, a 2022 Kia K5 was traveling at an apparent high rate of speed in the westbound lanes of Christiana Road, approaching the same intersection. The preliminary investigation revealed that the Dodge entered the intersection to turn left onto Airport Road after the traffic lights for the eastbound thru lanes and left turn lane of Christiana Road turned green, while the westbound lanes remained red. At the same time, the Kia failed to stop at the red traffic signal for the westbound lanes of Christiana Road and also entered the intersection. As a result, the front of the Kia struck the right side of the Dodge in the intersection. Following the initial impact, the Dodge spun and rolled over, while the Kia deflected to the right, crossed a cement median, and struck a 2020 Hyundai Tucson that was preparing to turn right onto Christiana Road westbound from Airport Road southbound.

The driver of the Dodge, a 29-year-old woman, and her 10-year-old daughter, both from New Castle, Delaware, were pronounced dead at the scene. Their names are being withheld until their family and relatives are notified. The remaining 4 passengers in the Dodge, all of whom were children of the 29-year-old victim, were taken to an area hospital for non-life-threatening injuries.

The driver of the Kia, a 26-year-old man from Wilmington, Delaware, was taken by ambulance to an area hospital for serious injuries.

The driver of the Hyundai, a 43-year-old woman from Bear, Delaware, was taken by ambulance to an area hospital for serious injuries.

Please note that the Kia was stopped by troopers in the 100 block of South Dupont Highway at 11:08 p.m. but fled the traffic stop. The trooper lost sight of the vehicle shortly thereafter. At no point was the Kia actively pursued by law enforcement.

The roadway was closed for approximately 6 hours while the scene was investigated and cleared.
